EDUCATION

Northwest A&F University

Bachelor of Engineering in Furniture and Interior Design

Sept. 2023 – Present

PROFESSIONAL EXPERIENCE

Product Packaging Design | Eucommia Extract Powder

Nov. 2025 – Jan.2026

Freelance Designer (Collaborated with University Faculty)

- **End-to-end Design:** Developed a complete packaging system including gift boxes, outer containers, and individual sachets for health-oriented beverage products.
- **Visual Strategy:** Conceptualized a "Green & Premium" aesthetic, utilizing specialized color palettes and typography to resonate with health-conscious consumers.
- **Market-Ready Output:** Conducted independent market research and visual positioning, leading to the successful mass production and launch of the products.

Sustainable Architectural Design | "Eco-Campus" Bus Station

Dec. 2025

Architectural Design

- **Sustainability Focus:** Integrated campus cultural motifs with eco-friendly technology, creating a functional public space that balances modern design with environmental consciousness.
- **Technical Documentation:** Produced professional-grade analytical diagrams and exploded views, demonstrating structural logic and material integration.
- **Full-Lifecycle Development:** Executed the complete design process from site analysis and conceptual sketching to 3D modeling and final rendering.

Award-Winning Cultural & Creative Design

Oct. 2025

Bronze Award, Xi'an Cultural Creative Design Competition

- **Heritage Integration:** Reimagined the traditional Tang Dynasty Tri-color Glazed Camel as a modern lifestyle product, blending historical art with contemporary aesthetics.
- **Functional Innovation:** Designed a dual-purpose "Companionship" plush toy that doubles as an ergonomic pillow, featuring a specialized neck-support contour for user comfort.
- **Product Development:** Managed the project from conceptual sketching to material selection, focusing on the emotional value of "companionship" in modern home decor.

Promotional Designer | Foshan Media Company

Oct. 2024 – Sept.2026

- **Independent Execution:** Independently designed a full suite of promotional assets, including social media posters and advertisements, ensuring high-quality visual delivery from concept to final output.
- **Client Collaboration:** Communicated directly with stakeholders to align design strategies with marketing goals, effectively managing feedback to optimize curriculum schedules and brand materials.

MISCELLANEOUS

- **Skills:** Photoshop, Illustrator, AutoCAD, 3Ds Max, UG NX.
- **Language:** English (Level 6)
- **Honors & Awards:** Bronze Award, [Competition Name] Cultural & Creative Design Competition, MIIT Certified 3Ds Max Designer / CAD Designer
